C. L. Melson  
Vice Admiral, U. S. Navy  
President, Naval War College  
Newport, Rhode Island

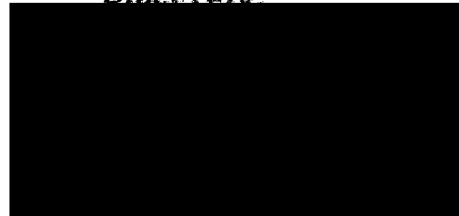

Dear Admiral Melson:

I wish to acknowledge your letter of 27 September to Dr. Wheelon and reply to the two questions directed to my attention: the security classification of the 9 November address will be Top Secret; and our only requirement for visual aids is for an overhead projector to show VU-GRAPH transparencies.

Dr. Wheelon accepts with pleasure your kind invitation to attend the luncheon after his address to the student body. As for plans to stay overnight at Newport, it would appear that his schedule will require a return to Washington on the afternoon of 9 November.

I will await further details and communication from your staff officer which, as you mentioned, may be forthcoming as the date of the address draws near.

Sincerely,

STATINTL
